ANGLIAN WATER – SYSTEM FLUSHING

Anglian Water will undertake flushing works affecting Shingle Street/The Street, Bawdsey properties on 26 February (unfortunately notification was received too late for February's Bulletin). However, further flushing works will take place on Monday 2 March, 10.00pm-6.00am affecting the following areas:

Ferry Road, East Lane, Cavell Close, School Lane, Red House Farm Lane, The Manor House Estate, School Road, East Gate Lodge, Bawdsey Manor Estate properties (Farm Cottages, The Old Stables, The Belltower, Dairy Cottage, The Old Farmhouse, Honeymoon Cottage, Garden Cottage, Bawdsey Manor, Alexanders College).

To minimise inconvenience Anglian Water recommends:

- You fill a kettle, or a suitable container, with drinking water before work starts.
- You don't use washing machines and dishwashers, or leave taps open.
- You don't use mains fed instantaneous water heaters/showers if the water supply is interrupted (central heating will be fine).
- If you have a water softener, you should isolate it using the bypass pipe until the work is completed
- You don't fill or change the water in fishponds or tanks for 48 hours

Once flushing is finished, you may experience discoloured or cloudy water. Don't be alarmed – just run your kitchen cold water tap until the water runs clear. Call the Customer Contact Centre for further information on 08457 145 145.

HABSS

As from 1 April 2015, I will be resigning from HABSS Community First Responders. I had my initial meeting with the East of England Ambulance Service in January 2013 to discuss setting up a CFR group. I was told it would take up to 2 years to get a group fully operational. On 24 December 2013, less than 12 months later, HABSS Community First Responders went live. Thanks to brilliant support, we raised enough funds not only to purchase 3 medical kits, but also 3 Pulse Oximeters and winter-weight jackets for our volunteers. We have recently purchased a Resusci Anne Manikin and a training AED (Defibrillator) is on order. These will allow the group to keep their skills up and provide demonstrations within the community on CPR. With the group fully equipped, with adequate funds and good volunteers, I hand over as Group Co-ordinator to Rod Webb. I like to project manage start up groups and once funding and volunteers are in place, move onto a new project, thus giving someone else the opportunity of running the group. Thanks for supporting me by making donations, for raising our profile and attending the Community Cafe. Your support has helped tremendously. It's been tough, but we got there and HABSS will continue for the foreseeable future. Community Cafe – Saturday 7 March 0930-1230hrs (in aid of HABSS), Saturday 4 April 0930-1230 hrs (in aid of SSAFA). Best wishes Bev Lambert

SORREL HORSE, SHOTTISHAM – MUSIC NIGHTS

Mon 9 March, DragonFruit, 8.30-11.00pm - A duo who play a wide range of genres

BAWDSEY MARKET

Some exciting news - Bawdsey Market is a finalist in the SCDC Business and Community Awards 2015; judging will take place on 12 March. We will let you know how we got on in the April Bulletin.

BAWDSEY BIRD CLUB ANNUAL ILLUSTRATED TALK

Public talk by Alex Bass, Sutton Memorial Hall, Saturday 7 March, 7.30pm. An exploration of a range of heathland and woodland sites in Suffolk showing the vast diversity of flora and fauna on these sites. Refreshments available. Adults £3.00/Under 18s £1.00. Email wa@sandlings.co.uk/tel 411422.

EASTER LILIES

Margaret Daldry will once again oversee the purchase and arrangement of the Easter Memorial Lilies in the East window at St Mary's. Lilies are £10 per stem and those who wish to contribute are asked to pass money in an envelope with your name on it to Liz Mark, 22 Model Cottages (411426) by Monday 23 March.

SAVE THE WORLD'S FIRST OPERATIONAL RADAR STATION

The Transmitter Block was part of the world's first operational radar station. Radar played a vital role in the Battle of Britain and was the starting point for many world-changing inventions. The work done at Bawdsey helped save Britain - Now Bawdsey needs your help to save the T Block. The Project has received Heritage Lottery Funding to investigate the work needed to save the T Block and develop an exhibition to make it a vibrant and fun attraction. An application is to be made to the Heritage Lottery Fund for £1.4 million but Bawdsey Radar has to raise £300,000 of this amount as match funding. Please help us by making a donation by **cheque**, payable to Bawdsey Radar Trust, and sent to Bawdsey Radar, 1 Whitehouse Cottage, Gulpher Road, Felixstowe, Suffolk, IP11 9RJ, or **Bank Transfer** to HSBC Bank, Sort Code: 40-21-06 Account: 51533207, using BRA15(your surname) as the reference. Or why not purchase a limited edition mug '80th Anniversary of the Daventry Experiment 26 February 1935' £12 including P&P. Local artist, Mark Beesley, designed the picture and the mug was manufactured by Tony Carter Ceramics. The picture shows the moment Robert Watson-Watt and Arnold Wilkins detected a signal from the nearby BBC radio transmitter being reflected from a Heyford bomber. Email secretary@bawdseyradar.org.uk for information or to gift aid your donation.
